SUMMER INSTITUTE ON YOUTH VIOLENCE PREVENTION

AUGUST 7 - 12, 2005
TO BE HELD AT
UNIVERSITY OF CALIFORNIA, SAN DIEGO

A Training Opportunity for Doctoral Students
sponsored by
the Southern California Academic Center of Excellence on Youth Violence Prevention
a project of the Presley Center for Crime and Justice Studies
University of California, Riverside

Goals and Objectives
- to provide training by professionals with expertise in various areas of YVP that graduate students might not otherwise be exposed to in their own university environments;
- to stimulate discussion and research ideas in the area of YVP;
- to provide training experience that will be relevant to the graduate students' future plans for research and evaluation in the area of YVP.

Training Focus
- Intervention design, methods, and implementation
- Program evaluation
- Funding sources and how to obtain funding

Eligibility
- Students currently enrolled in a Doctoral graduate program in one of the social sciences, public health, or medicine are encouraged to apply;
- Students must be attending a school within the United States; be US citizens; and/or possess valid US student visas.

Expense
- Out-of-state participants will receive a stipend of $1,000 to cover travel and incidental expenses;
- Southern California residents may receive a reduced stipend of $500 dependent on means of travel (i.e., driving versus flying);
- All participants will be provided with lodging in UCSD student housing for 5 nights and 3 meals a day for 4 days.

Application
- Application deadline is April 1, 2005;
- Applications must be complete and accompanied by all requested documentation in order to be considered for selection. Incomplete application packets will be discarded;
- Application form and complete application instructions can be downloaded from our website at [www.stopyouthviolence.ucr.edu](http://www.stopyouthviolence.ucr.edu) or obtained via fax or mail by calling 951.827.4604.

For Information call Roxie at 951.827.4604 or send email to roxanna.alcaraz@ucr.edu
